

TECDEN
TANZANIA EARLY CHILDHOOD
DEVELOPMENT NETWORK

NOW RECRUITING FOR MONITORING, EVALUATION, RESEARCH AND LEARNING (MERL) POSITION

Tanzania Early Childhood Development Network (TECDEN) is a national umbrella network of Early Childhood Development (ECD) Civil Society Organizations working in partnership to promote early childhood development in Tanzania. It has been in operation since 2000 and officially registered in 2004.

TECDEN envision a society where all children are developmentally on to reach their full potential. TECDEN is determined to work collaboratively with other networks, coalitions, institution, the private sector, the government, development partners and other potential stakeholders to influence policies, programs and practices related to early Childhood Development. This can be achieved through sharing of information, experience and generating knowledge; and work towards early investments in young children of 0-8 years in Tanzania.

We are recruiting for key role to lead Monitoring, Evaluation, Research and Learning (MERL). The position will be based in Dodoma region.

Monitoring, Evaluation, Research and Learning Officer: The MERL Officer will strengthen the Network data management, generation of evidence to inform its advocacy as well as strengthening members engagement through promotion of their work.
